

CRITERIA 4.4.2 - 2019-20

The college has number of buildings which include classrooms, science laboratories, a computer centre, library, auditoriums, canteen and play ground area. A number of committees are constituted and they ensure the proper maintenance, repairs and refurbishment of the various academic buildings and amenities. At present, the college has 35 classrooms with adequate number of benches, desks, chairs and teaching aids like green board / whiteboard / projector and lecture platforms. Every year, as per the requirement submitted by the concerned departments to the management and PTA, funds are allocated for the annual maintenance. All the science laboratories which are seven in number are well equipped and maintained. The concerned teachers-in-charge and the lab assistants conduct the experiments in the laboratories as per the prescribed timetable schedule, catering to the needs of the degree and postgraduate students. As per the prescribed safety protocol, all precautions and remedial measures are taken into account during the conduct of practical especially while handling chemicals. A stock register is maintained in each department and every year the stock is updated and verified. Based on the stock verification report, a requirement list is prepared and submitted to the office. The College has a well functioning library which is partially automated with the library software Grandha 2.5. The activities and updating of the library resources is done by the library and the library committee. The library houses a range of books, journals and periodicals. E-resources like CDs, e-journals from Inflibnet are also there in the library. Based on the requirement of books, journals etc especially after a syllabus revision, the purchase committee allocate funds received from the management and PD funds for their purchase. The Physical Education department is very active and is well equipped with a gymnasium, playground, courts and sports accessories, all under the purview of the Physical Education Instructor. Every year as per the requirement, purchases are done and the courts and grounds are maintained and the stock register is updated. The College has installed water purifiers and coolers for the students and faculty. The College has generators which ensure uninterrupted power supply and also has a solar panel to harness renewable and clean energy. The beautification of the College is done by the Nature Club and Bhoomitra Sena with the support of PTA and the Management. General cleaning of the campus, classrooms, auditorium, restrooms etc are done regularly by the staff appointed by the Management. The Management, PTA and alumni are the major monetary contributors for enhancing and expanding the available facilities in the campus. The college also submits proposals to state and central funding agencies to procure funds to develop the infrastructure
